Intramural and Athletic Programs

6th Grade Intramural Program
The primary purpose of the sixth grade intramural athletic program is the development of well-rounded student athletes. To that end, the focus is on skill development and participation. Therefore, if a student wishes to participate, an opportunity will be afforded.

Sixth grade students are offered athletic opportunities through a combination of clinics and intramural programs. Activities parallel the current MMS athletic program. Any student may participate in the intramural program. Each activity begins with an introductory clinic where instruction and skill development are the focus. The clinic is followed by intramural game(s) where each participant has the opportunity to play.

Sixth grade intramural activities and the corresponding seasons are listed below:

- Boys’ and Girls’ Basketball Winter – February
- Girls’ Volleyball Spring – March

6th, 7th and 8th Grade Interscholastic Athletics
Interscholastic athletics are extended educational opportunities that involve competition with teams from other schools. MMS is a member of the Illinois Elementary School Association (IESA).

MMS offers the following interscholastic sports activities for sixth, seventh and eighth grade students.

Fall Sports:
- 7th and 8th grade girls’ softball
- 7th and 8th grade boys’ baseball
- 6th, 7th and 8th grade Cross Country
- 7th and 8th grade girls’ basketball

Winter Sports:
- 7th and 8th grade boys’ basketball
- 6th, 7th and 8th grade wrestling
- 7th and 8th grade girls’ volleyball

Spring Sports:
- 6th, 7th and 8th grade boys’ and girls’ track and field

Before trying out for any 6th, 7th or 8th grade sport, students must have the following information on file in the office as per Illinois Elementary School Association rules:
- Current physical examination (“current” means within the last calendar year)
- Parent permission slip to participate
- Proof or waiver of insurance
- Birth certificate
